Carl –

I have attached a copy of the version I mention in max.gov below because I think you said you were supposed to send it out to folks.

All –

There is now a document titled wyomingSIP-FIP.OARcopy in max.gov. This is what I will be sending to Ruth shortly. This is the document people need to edit going forward. Carl asked that we not send this document with any comment bubbles/redline strikeout, so I have taken those out of this document. If you want to see what the remaining comment bubbles were, you can go back to the individual section documents.
